

**Thank you Glacier Hills Families for supporting the Booster Club this year!**

Your participation in the Chip Shoppe fall fundraiser, gift card purchases, carnival attendance and cash donations helped make all these things possible! The Booster Club raised about **\$30,000 this year**. As of early May, here's how the staff put that money to work to provide educational opportunities for our kids:

**Kindergarten**

Magnadoodle  
National Geographic  
Books R Fun  
Hamline Theater Production  
Arboretum – Plant Mobile  
Scholastic Books

**Plan for 2012 - 2013**

**September 29:** There will be no direct sales fundraiser in the fall (like Innisbrook or Chip Shoppe). Many of you responded to a survey last fall and two-thirds of you said you wanted another option. We're planning the Husky Hustle, a 5k and Family Fun Run, combined with a cash donation drive with a very exciting surprise if we reach our goal! Watch for more information at Back to School Night!

**Ongoing:** We'll continue to offer gift cards that you can buy for your everyday purchases as we earn money without you having to spend anything extra! We'll keep cards on hand at the office for some of the most popular stores, so you can buy anytime you're ready to go shopping. In spring, another fabulous carnival!

*Again, thanks for your support!*
